at San Gabriel Valley Medical Center

*A special environment designed for
exceptional comfort and service*

At Your Service

San Gabriel Valley Medical Center has a tradition of providing compassionate, state-of-the-art healthcare services spanning nearly 50 years. We offer a comprehensive range of services designed to meet your specific healthcare needs.

San Gabriel Valley Medical Center's Executive Services program is designed for patients who seek the utmost in comfort, privacy, and attentive service. Through the Executive Services program, patients recuperate in spacious, well appointed rooms designed to create a hotel-like setting within a premier medical center.

Located in beautiful Southern California, just minutes from downtown Los Angeles,

our Executive Rooms offer peaceful views of the scenic San Gabriel Mountains. Enjoy an array of special amenities as our physicians and healthcare professionals coordinate every aspect of your care.

Available for an additional fee, these amenities provide special touches that bring the comforts of home to the hospital stay experience.

Executive Services Amenities

- ✦ Private room featuring wood-grain floor, a soothing color palette, and a view of the San Gabriel Mountains
- ✦ Beautifully appointed bathroom with granite and European tile
- ✦ Hotel quality linens and towels, plush bathrobe, and complimentary toiletries
- ✦ Comfortable guest / family accommodations including restful sleep sofa
- ✦ Gourmet dining service with specially created menus based on patient's tastes and dietary needs
- ✦ Large flat-screen TV complete with DVD system
- ✦ In-room Wi-Fi service
- ✦ Daily newspaper
- ✦ Assistance with hotel accommodations and transportation available

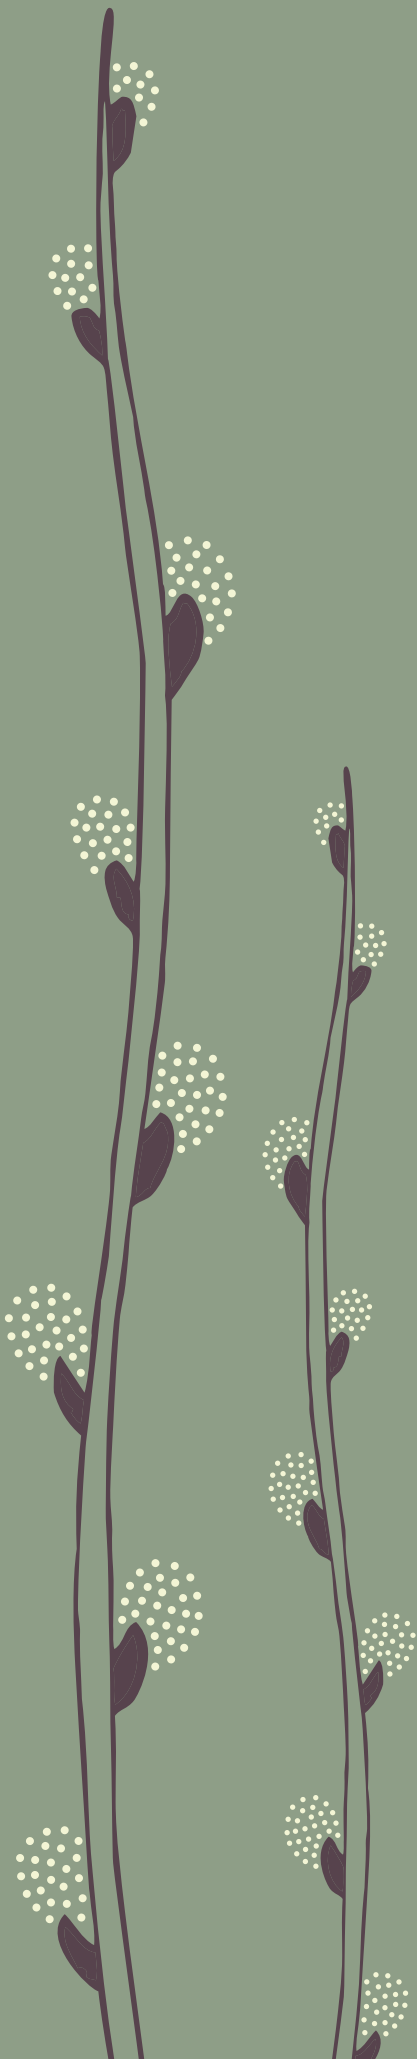

San Gabriel Valley Medical Center's Executive Rooms are available at an additional daily fee and include the amenities listed. The room fee is over and above the base hospital charge for a patient stay. The amenities provided in the Executive Services program are not covered by insurance. Payment is due upon admission and conveniently may be paid by credit card, check, or cash.

Reservations Required

Our Executive Rooms offer a level of comfort and service unsurpassed in the San Gabriel Valley. We do require a reservation for these exclusive accommodations so that we may ensure that an Executive Room will be available for the hospital stay. A member of our staff will schedule your time of admission, meet you at a designated entrance, and escort you with your luggage, directly to your room. The hospital admission process will be finalized in the privacy of the patient's room.

For additional information or to reserve one of our Executive Rooms, contact our Admissions Office at (626) 299-3100
